A season pass is a contractual privilege, subject to the terms, conditions, and restrictions recited herein, by which designated persons enter onto the club premises for the purpose of using and enjoying the available facilities. All season passes are non-equity and non-participatory. A season pass does not imply any right or privilege to participate in or to administer the club's business policies and does not create any vested, proprietary, prescriptive, or easement rights or interests of any nature in land, the club, the facilities or any of the club's assets. A pass holder acquires only a revocable license to use the facilities.

The club shall have the right to suspend or terminate the privileges of any pass holder, without refund, if the pass holder or the pass holder's guest engages in conduct that is deemed by the club to be likely to endanger the welfare, safety, harmony or good name of the club or its members or that is otherwise improper or illegal. The club shall be the sole judge of what constitutes improper conduct, but improper conduct shall include (i) violating club rules; (ii) damaging, destroying or stealing property of the club or of guests or employees of the club; (iii) failing to pay amounts owed to the club in a timely manner; and (iv) abusing, threatening or harassing guests or employees of the club. The club shall not be responsible for loss or damage to any personal property used or stored on the club facilities.

A guest of pass holders will receive a preferred rate only if accompanied by the pass holder.
